

## Premium Jet Fleet

As of May 2020 our commercial charter fleet consists of ...

### Gulfstream G550

Pax: 16  
Speed: 490 kts / 910 km/h  
Range: 6'500 nm / 12'000 km

### Bombardier Global Express

Pax: 14  
Speed: 490 kts / 910 km/h  
Range: 6'200 nm / 11'500 km

### Bombardier Challenger 300

Pax: 9  
Speed: 460 kts / 850 km/h  
Range: 3'200 nm / 5'900 km

### Brokerage

Any other aircraft you look for? Besides the aircraft from our own fleet we virtually can arrange everything that can fly: Business Jets, Airliners, Turboprops, Helicopters ...

### Private Fleet

Aside from the commercially registered aircraft on Premium Jet's AOC, we manage and operate with the same high standards, quality and attention to detail another fleet of private jets in their private or corporate roles.

### Flying with a quiet conscience

Premium Jet calculates the CO<sub>2</sub>-emission for each flight and offers its customers the opportunity to offset their flights with a voluntary donation to its partner organisation [www.myclimate.org](http://www.myclimate.org).
